Dr. Fletcher McPhedran,

151 Bloor Street West,

Toronto.

Dear Dr. McPhedran:

I have made inquiries and find that you did work in Clinical Medicine during October and November of the year 1912. From your letter I was not very sure as you spoke of having resigned on the first of October. I will therefore bring the matter up at the next meeting of the Board. There is no appropriation in our present estimates from which the amount could be secured.

Yours sincerely,

President.
